

May 13, 2011

Dear Business Partners,

Update on production and shipment

a. Production

Normal operations have resumed at Esashi and Shonan factories. Continuous effort is being made to ensure stable supply of products with gradual improvements made in logistics. However, temporary delay in procurement for some materials remains a concern.

b. Shipment

Shipment to our customers worldwide is under normal schedule.

c. Delivery

Delivery is under normal schedule.

Thank you for your continuous support.
